📝 Fun fact

I enjoy playing football in my free time — coding gives me the same feeling of progress as training! 🌍💻

🧩 About Me

🧩 I'm currently learning **Java**
🎯 My goal: **to become a programmer**

💻 I code with Java

What i made & learned

– “I created my first GitHub project.”

– “I uploaded a document about an open-source project.”

– “I learned how commits, issues, branches, and pull requests work.”

– Add a short message: “GitHub = learning + community.”
